POSITIONS HELD

Relief Veterinarian serving Fountain, Colorado Springs, Pueblo and Woodland Park, CO Dec 2008 to May 2019

Providing routine outpatient preventative medical, dental and minor surgical care for dogs and cats. Additionally, providing trigger point therapy, acupuncture and rehabilitation with a focus on pain control to dogs and cats.

Branch Chief, Ft. Carson Veterinary Services, Colorado Springs, CO 2004 – 2008

Responsible for the complete health and welfare of 70 Military Working Dogs (MWD). Managed 4 clinics, 6 doctors, and 19 support personnel across three states. Responsible for clinic budgeting, management, and personnel training. The clinics provided care to over 16,000 military pets. Solely responsible for the coordination, planning, and transition to a new state of the art 5500 sq ft facility. This position required extensive veterinary, leadership, communication, and management skills.

Officer-in-Charge, Kaiserslautern Veterinary Treatment Facility, Germany 2001- 2004

Responsible for all the MWDs across Europe, Iraq, and Afghanistan. Additionally, responsible for general medicine, surgical and preventive health care for over 50,000 privately owned animals within the Kaiserslautern Military Community. Managed 4 doctors and 9 other support personnel for Europe's largest military veterinary referral hospital. Personally responsible for the management and training of all clinic personnel.
